

How does food loss influence the environment and our society?

Name Inoue Kurata Fushiki

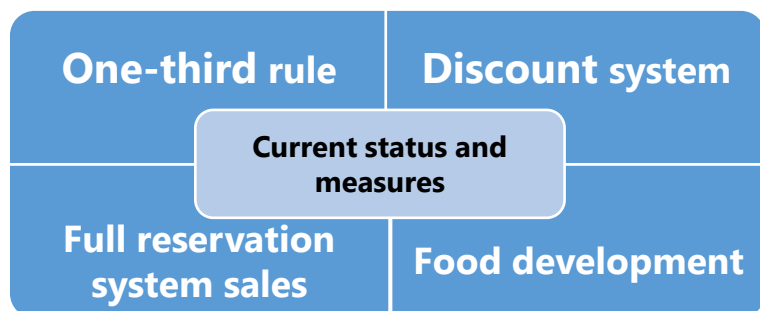

Introduction

Convenience stores are open for 24 hours a day, so we thought it would be difficult to take measures against food loss, and decided to focus on food loss at convenience stores.

Method and Results

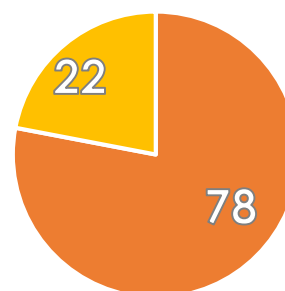

- ① Internet & Newspaper
- ② Questionnaire
- ③ Interview

① Information from Internet & Newspaper

② Result of the Questionnaire

Q. Are you taking some measures against food loss?

■ Yes ■ No

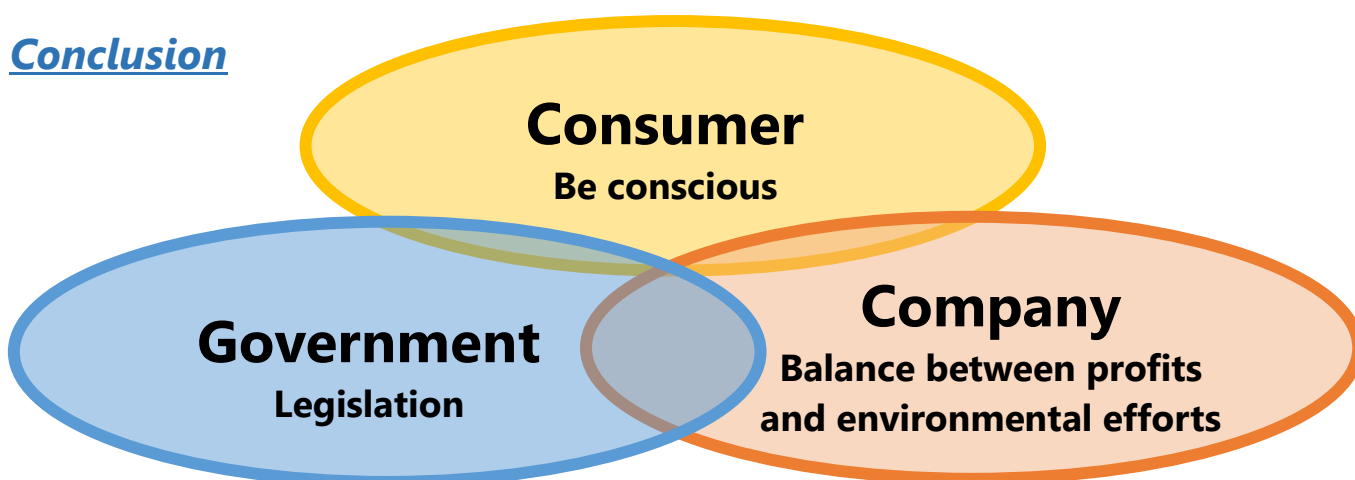

③ Interview with a Manager of a Convenience Store

Q. What is the problem with food loss as a business person?

A. Consumers are accustomed to **having MANY products**,

so we have to display as many products as possible **to meet the needs of consumers.**

Conclusion
