

## What we did

- A. Researched about poverty in Japan
- B. Visited an organization dealing with poverty
- C. Did further research based on the results
- D. Summarized the study and thought about what high school students can do

## Structure of Food Bank Kansai

## Field work at Food Bank Kansai

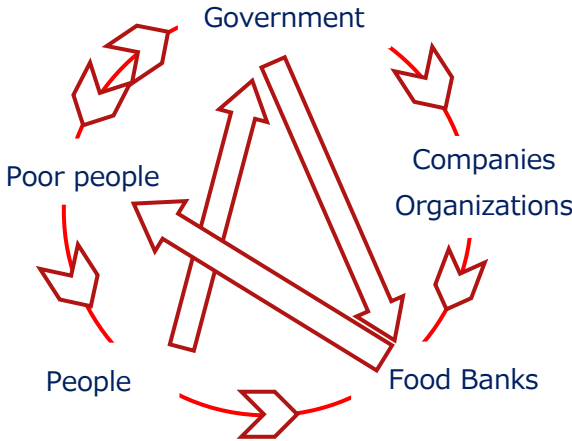

- A. Advertising
- B. Number of supporting companies
- C. Government support

What we thought	What we found
Not enough being done to raise awareness	Many events but on a local scale
Lack of communication with food suppliers	Only have good relationships with small companies
Waiting for government support	Worried about limitations

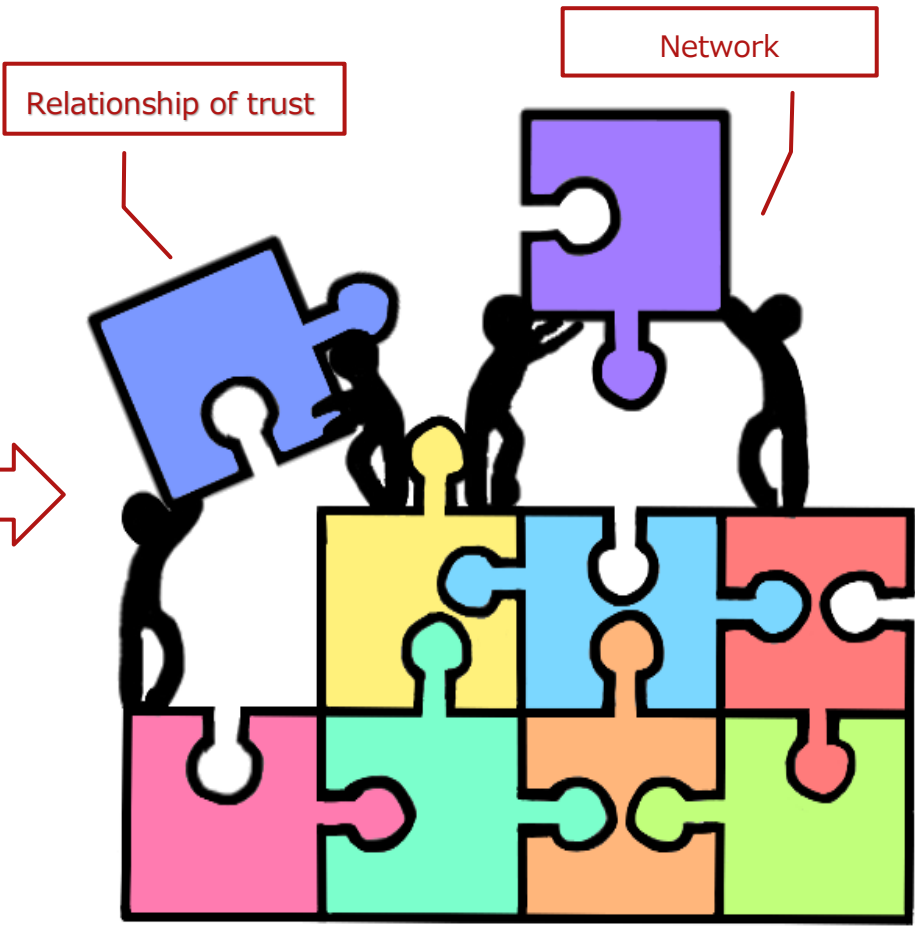

## Our plan to solve these problems

### Puzzle of KINDNESS

### Circle of KINDNESS

### What can we do?

- A. Collect donations at our school's cultural festival
- B. To announce the amount of food loss in the cafeteria in our school
- C. Participate in food bank events
