

“Remote Work” Can Support Women’s Career

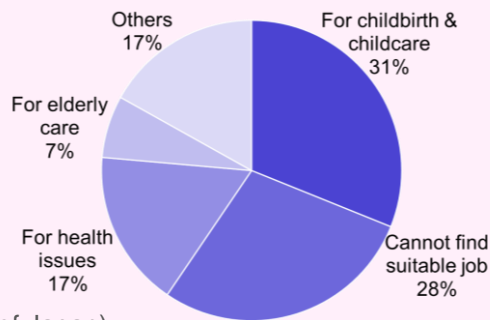

Current Situation

Working population

(“Labour Force Survey” by Statistics Bureau of Japan)

Why women who want to work don’t go job hunting

Improve the Quality of Meetings

■ Don’t waste time for chatting

Q Do they get well with colleagues?
→ Have another time to do small talk

Balance Job & Housework

- Can work even when children get sick
- Have more time to spend with family

Q Do women still have a huge burden?
→ Men should also do remote work and help women.

Reduce the Risk of Infection

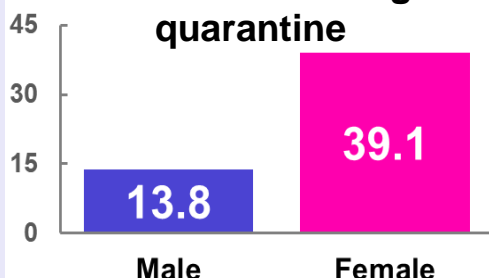

Save Time & Money

■ Don’t need to commute

Q Doesn’t it cause a lack of exercise?
→ Remote workers should get regular exercise

Spend more time on housework during quarantine
