

Mutual Understanding through Interaction

~Your action will change your notion~

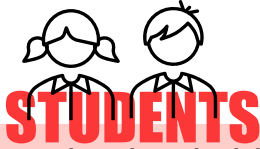

Introduction

W201902-2 Tokyo Metropolitan Hakuo Junior and Senior High School

We will use **Ghana** as an example to propose the know-how necessary for us living in a global society.

↳ Its gateway is **characteristics** ex) in Ghana: Cocoa

STUDENTS

- Cocoa production is high enough
- No producers' association
- Failure to resolve labor problem

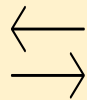

LOCALS

- Very low production efficiency
- Existence of Producers' Association
- Ghana Chocolate Week

Research →  **Connection** → **Understanding**

Online English Interaction Meeting

- Japanese anime or manga
 - The way to use cocoa
- Practical Science Experiment

- Fashionable things
 - Cocoa in daily lives
- etc...

How do you interact with non-English speaking people?

Nonverbal Interaction

- Cultural events
 - Music(Dance, Instrument)
- Food(Traditional dishes of each other)
 - Fashion(Plant Dyeing)

Conclusion

Knowing & Understanding → Support ex) Donation

➡ ◎ positive images × the stereotypes

Mutual respect-interaction

→ Be considerate of the countries & Enhance international cooperation
