

Gender Issues in Kitano

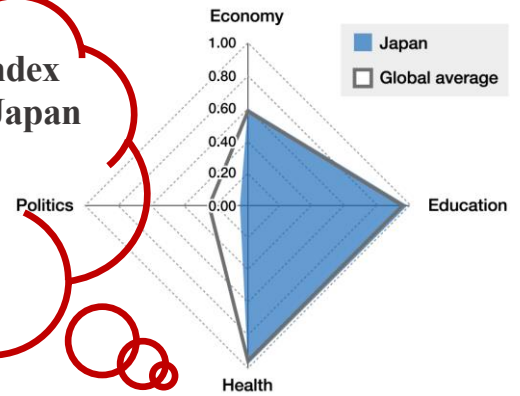

Osaka Prefectural Kitano Senior High School

Introduction

In recent years, gender discrimination has become one of the biggest problems in the world and especially in Japan.

Global Gender Gap Index in Japan

rank : 121
out of 153 countries
score : 0.652
0=impairity, 1=parity

1. Our Hypothesis

What is **Gender Equality**

⇒ Eliminate differences between **boys** and **girls**.

2. Problems

PE Class

- Swimming Classes
- Long Distance Running Event
- Dance Classes

School Life

- Uniform

☆ Track and Field Club ☆

in **Huntsville High School, Ontario**

Had a problem in their training program

↓ finally.....

The program was changed.

Our Method

- Carried out a questionnaire with students and teachers
- Talked with teachers
- Did reasearch

3. Research

4. Conclusion

Don't need to eliminate the differences **completely**

Important thing is ...

Give **equal** opportunities and options

Next goal ...

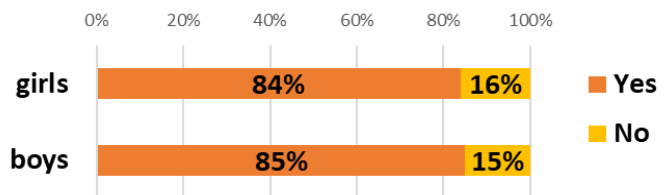

- Make students more aware about gender problems
- Compare with other countries

Triggered

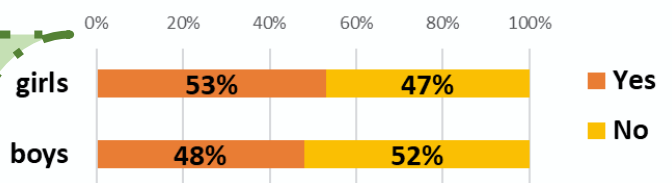

Some girls in the first grade are now wearing slacks instead of skirts . It has a big impact on the students in Kitano High School.

⇒ We may have **stereotypes** about gender.

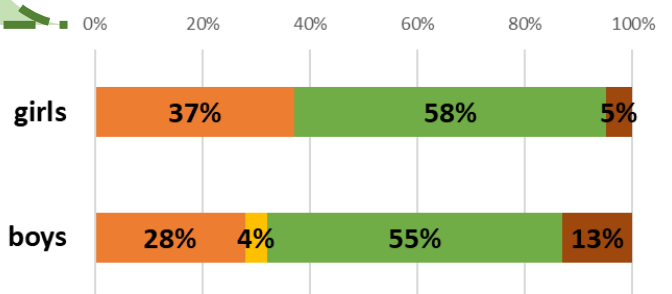

Do you think there is a gender difference in the curriculum of PE classes?

Do you want to change the PE curriculum if it is possible?

About the cross country running distance
Girls 7km / Boys 10km

- unify boys to girls
- unify girls to boys
- leave it as it is
- run the average distance
