## Our two proposals

to encourage civic pride and newcomers in Kyotanabe

### Jimoteens Map

Original maps introducing walking courses within Kyotanabe

#### Courses will include...

- visiting spots in Kyotanabe
- restaurants and cafes that use local ingredients

#### In Addition...

Propose slow food menus to school cafeterias in Doshisha University

#### Aims

- Provoke recognition towards local production
- Provide specific locations of where local products are available

### Our space

#### The building will include...

- A cafe providing local Kyotanabe food
- Workshops with students and specialists from Kyotanabe
- A coworking space

"A relaxing environment in the city of Kyotanabe"

#### Other characteristics

- Utilise abandoned bamboo in Kyotanabe as its foundation
- Differing target audiences in weekdays / weekends

#### Aims

meet each individual's needs and
