All Japan High School Forum 2022 Registration for Zoom Meetings

As All Japan High School Forum 2022 will be held online by using multiple Zoom meetings, we would like to ask teachers responsible for the event to register for both Zoom meetings by Thursday, December 8, 3:00pm JST on behalf of all the participating students with reference to "I. Zoom Meeting Registration for Breakout Sessions" and "2. Zoom Meeting Registration for Plenary Session" as shown below.

0. Important Notices on Registration

- For the purpose of smooth operation of the event, only one e-mail address per school can be registered, however, considering the time difference, multiple registrations up to 4 accounts per school are allowed for overseas WWL collaborating schools. In that case, register multiple times from the same registration form.
- You may register the same e-mail address for both breakout sessions and plenary session. Respective e-mail
 addresses are also acceptable, but please be prepared to switch smoothly between Zoom for breakout sessions
 and Zoom for plenary session.
- Please be noted that registration for Zoom meetings should be completed by the teacher responsible for the
 event, not by the student. After filling out the form, an e-mail notifying the completion of the registration will
 be sent to each e-mail address, so please make sure that your student surely received the email.

I. Zoom Registration for Breakout Sessions

Different Zoom meetings will be used for breakout sessions ("Presentation" and "Discussion"). Each participating school should confirm which group to attend from the attached "List of Discussion Groups," and complete registration using the Zoom meeting registration form as shown below.
