VS

VS

run out in 50 years

# Premises

- “Oil” is **ONLY** energy  
(without thinking about any other resource)
- German and Japan must attack other country  
(based on operation of Germany military in WW II)
- Alliance between Tokyo and America has been available
- Judge from only number and alliance  
(without any emotional interference)

Rely on import

Become independent

VS

A scenic landscape photograph of a sunset over a mountain range. The sun is a bright yellow orb on the right side of the horizon, casting long, soft rays of light across the sky and the valleys. The sky transitions from a deep blue at the top to a vibrant orange and red near the horizon. The mountains are silhouetted against the colorful sky, with some peaks appearing hazy. The overall mood is peaceful and serene.
