<Motive of Research>

There's **International University of Japan** in Minamiuonuma city.

Over **90%** of the students are from **over 50 countries**

We want to be a “**BRIDGE**”
between **IUJ students** &
high school students

<Research Question>

How can we
make an intercultural community
in Minamiuonuma?

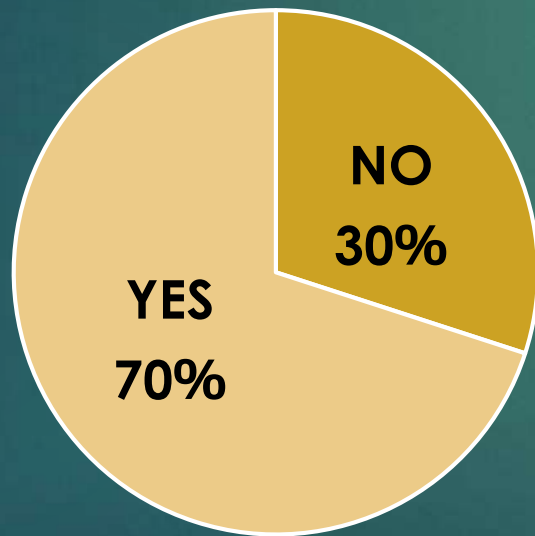

<Research Background>

conduct a questionnaire

- to **KJ students**
about **IUJ and intercultural community**
- to **IUJ students**
about **intercultural community and living in Minamiuonuma**

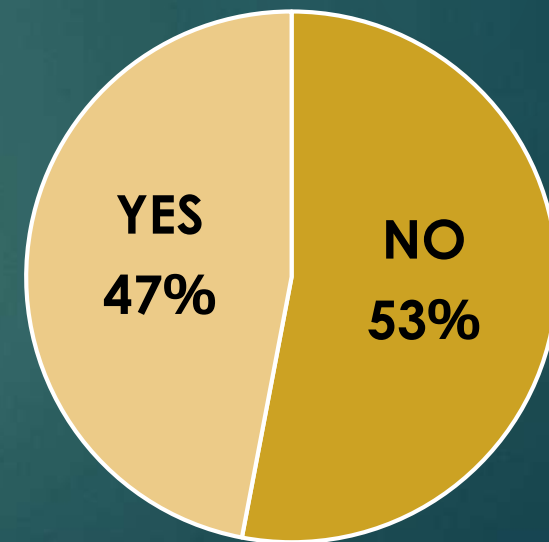

Result of the questionnaire (KJ students)

Q1. Do you want to interact with IUJ students ?

■ NO ■ YES

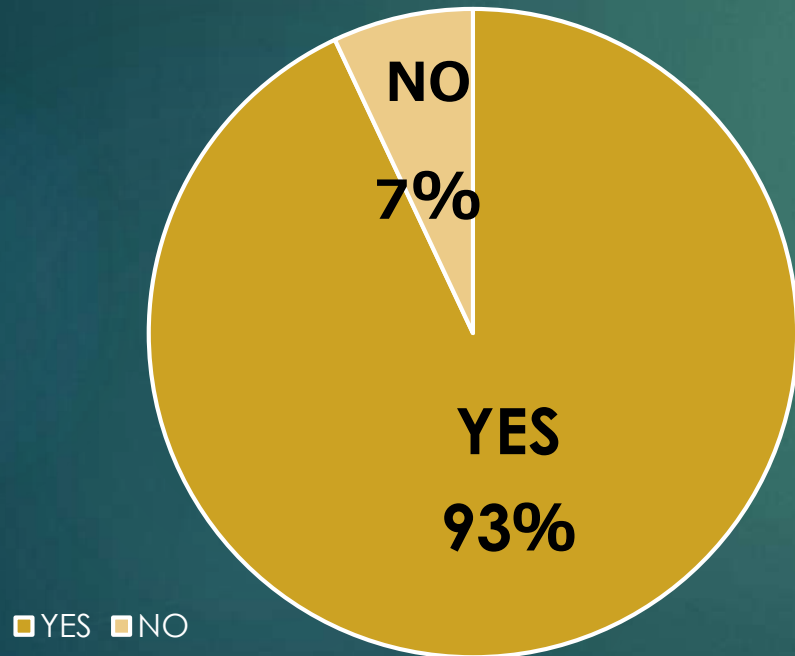

Q2. Do you think the IUJ students and citizens are building an intercultural community now ?

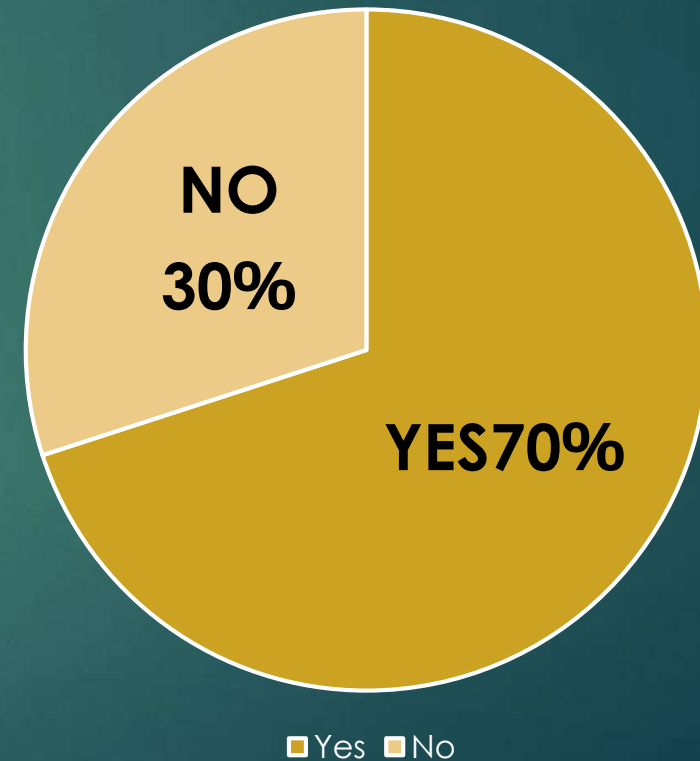

■ NO ■ YES

Result of the questionnaire (IUJ students)

Q1. Do you want to interact with Minamiuonuma citizens ?

Q2. Do you think the students from IUJ and citizens are building an intercultural society?

<Hypothesis>

Mutual interaction
between IUJ students &
KJ students will lead
the achievement of
intercultural community.

<Action Plan>

Making a community & Hold events

To have an interaction each other

- ◆ Conduct **a sightseeing tour** in Minamiuonuma
- ◆ **Join school events** together at KJ
- ◆ Make **traditional Japanese home cooking**

<Advantages of the events>

▶ IUJ students

- to be able to **know more about Minamiuonuma**
- to be able to **interact with citizens**
- good opportunities to **know about sightseeing spots in Minamiuonuma**

▶ KJ students

- break a language barrier
- to be able to **meet new people & understand different cultures**

<Our Goals>

- to **make Minamiuonuma City comfortable for everyone** especially for **foreign people**.
- We want **both IUJ students and KJ students** to be able to **help each other**.

Thank you for listening!
