In France

France resumed the conscription system
in 2018.

French thinks that it is not in vain.

French army **plays a big role**
against terrorism

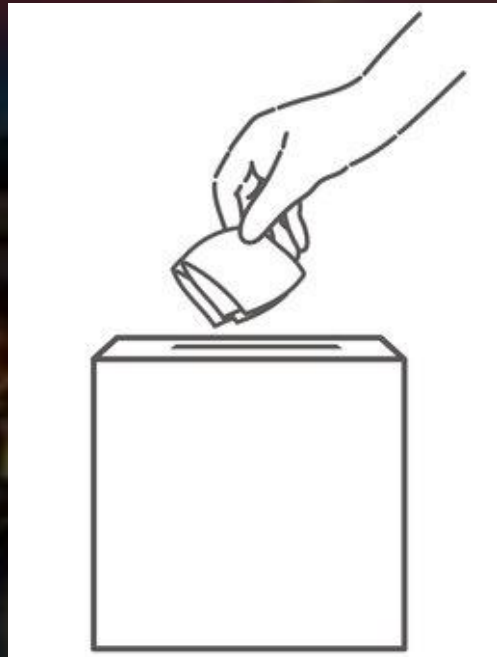

In North Korea

- North Korea has **strictest** conscription system in the world.

- Men → **10years** Women → **7years**
- Differs between the wealthy and the poor.
- The number of sexual crime has been increasing.

In Thailand Drawing lots

Black free from conscription

Red

must serve

In India

India has **never** had conscription.

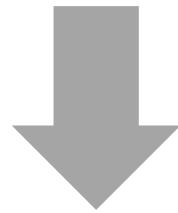

BUT **1,325,000 people** join the army.

why?

India has many poor people.
it's democratic country.

There is no relation between
the conscription and the power of military.

But, countries have the conscription
to protect themselves.

The world will never be peace.
