Discussion

Big gap between the hopes of elderly people and reality

A place where people can have intergeneration connections is important.

Create an Interaction Space for the community

Suggestion 1

3 care facilities in one location

Suggestion 2

EX) Social events for children and the elderly

しめ縄作り

ぬか床作り

Hold events that make use of the wisdom of the elderly.

Children can learn new things from the elderly.

Can create a **rewarding experience** for both young and old.

Long-term Goal

Facilities connecting citizens

Deeper relationships in the community among all the generations
