

Realizing Gender Equality through Picture Books

Niigata Prefectural Takada Senior High School

The global social issue that we focused on is...

Education from childhood

Gender equality

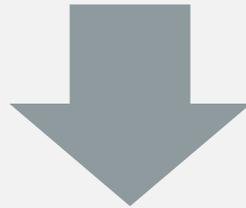

Focused on picture books

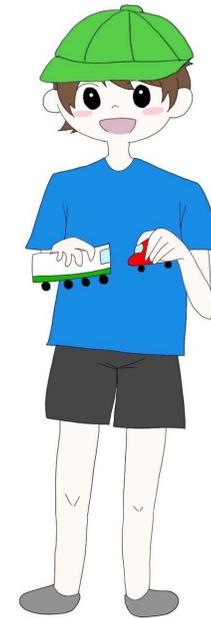

IMPROVEMENTS IN THE CURRENT PICTURE BOOKS

One of the roles of picture books is •••

to teach small children the way of thinking

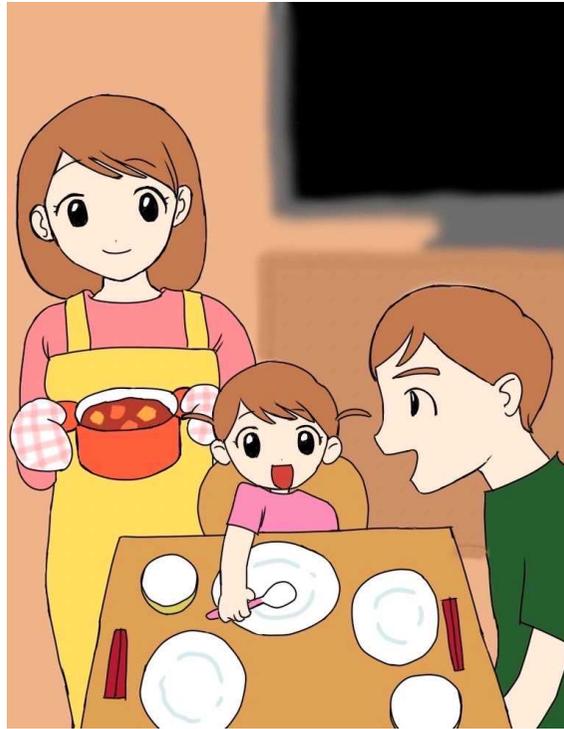

Theme and description of picture books can be a cause of
having biased ideas about “gender”

THE PROBLEMS WITH THE CURRENT PICTURE BOOKS

I. Differentiation with excessive colors

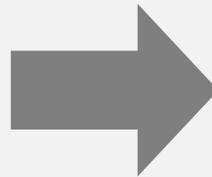

THE PROBLEMS WITH THE CURRENT PICTURE BOOKS

2.The division of gender roles are clearly expressed

HOW PICTURE BOOKS SHOULD BE CHANGED

CURRENT PICTURE BOOKS

- Excessive color contrast
- Gender role division of labor is reflected too much

IDEAL PICTURE BOOKS

- Reduce the contrast
- No description of Gender role division of labor

The way you think will change

ANOTHER SUGGESTION

New theme : LGBTQ ▪ same sex relationship

By introducing a number of picture books like this,

children can have relationships
without a sense of gender
discrimination.

SUMMARY

The ideal picture book is distributed and read all over the world

People's thinking about gender changes in a better direction

Getting closer to a society where gender equality has been achieved

a society where people can live in peace

PICTURE BOOKS WE REFERRED

- トトちゃん ココちゃん ランドセル(kaz)
- Den dar Emil av Astrid Lindgren ocb Björn Berg
- 도끼배를 빨아 버린 우리 엄마 나만의 그림책 만들기 스티커북(사토 지키고 글 그림)
- DINNER ON DOMINGOS written by Alexandra Katona
illustrated by Claudia Navarro
- ふたりのパパとヴィオレット(作:エーミール・シャズラン/ガエル・スパール 訳:中山亞弓)
