

Check Sheet for Submitting Presentation Poster

December 17, 2023

We read all the terms written below and submit the poster for presentation at Poster Session in All Japan High School Forum held on December 17, 2023.

- We follow the “provisional guidelines for using generative AI in primary/secondary education stages” and so on when we use generative AI such as ChatGPT.
- There is no any personal information such as presenter’s name in our presentation poster.
- There is no any content which violates anyone’s copyright, trademark, privacy and portrait rights, etc. in our presentation poster. We state it clearly on the poster when there is a reference source and/or bibliography, etc.
- When using a copyrighted material of a third party (photos, charts, illustrations, logo and articles, etc.), we make sure to obtain a license agreement to use and publish it on the Internet in the manner determined by the copyright holder.
- In case anything different from the above is found out after we submit this sheet, our school accepts full responsibility for it.
