

Kasama-yaki × Diversity

~ Engaging foreign residents to become Kasama-yaki sucesors ~

Ibaraki Prefectural Shimotsuma 1st Senior High School

Background

The number of traditional craftsmen is decreasing.

Trends in the Number of Traditional Craftsmen

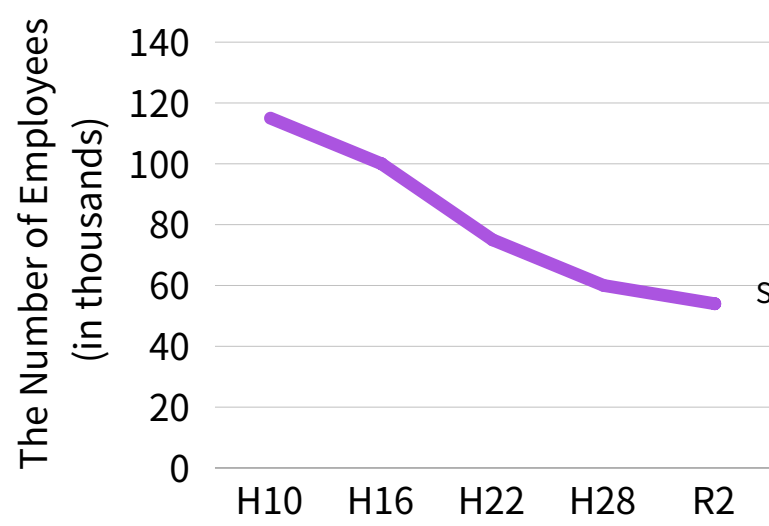

Figure 1

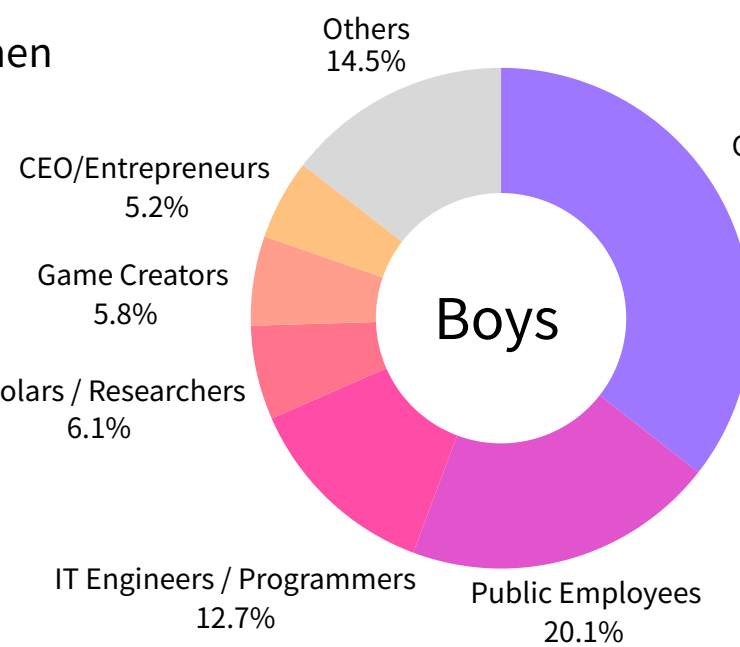

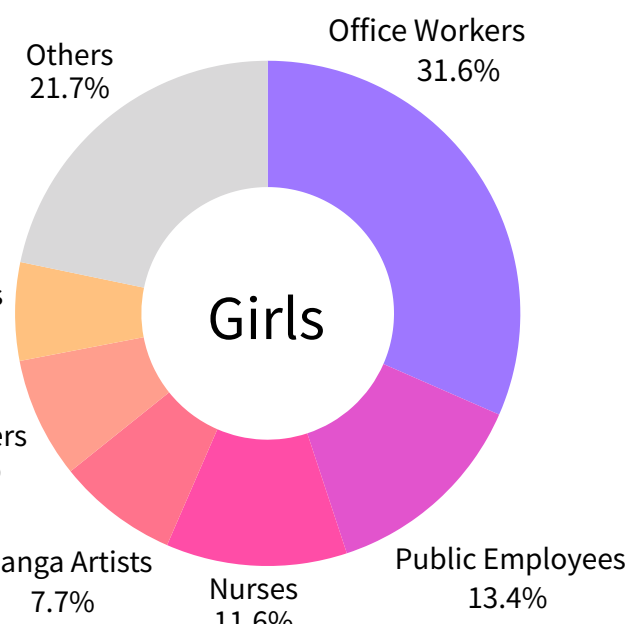

Figure 2

Desired Careers of High School Students

Boys

1. Office Workers
2. Public Employees
3. IT Engineers / Programmers

Girls

1. Office Workers
2. Public Employees
3. Nurses

Proposal

Addressing the shortage of sucesors by encouraging foreign residents to become the next generation of artisans!

Methodology

The number of foreign residents is increasing.

→ Why not make them become sucesors of Kasama-yaki?

Foreign-Resident Population trends in Japan
