

# Words on the Verge of Disappearing Minority Languages and Human Rights in Laos

## Literacy rate in Laos

## Current situation in Laos

- The Constitution of Laos provides that the official language is Lao
  - Teachers teach in Lao to children from ethnic minorities
  - The educational gap is widening.

We need to devise a system to solve this problem.

## Research Methods

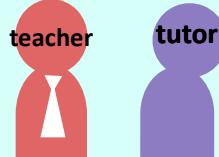

- reading academic paper
- interviewing university professor
- reading books

## Research Result

The inheritance of minority languages

A lack of bilingual teachers

Some girls help with family farming

## Conclusion

We think Cyclical Bilingual Training System is good.

aspire to become a teacher

linguistic minority student

teach in an official language

## Issue

bilingual

important

economic aid

We thought Cyclical Bilingual Training System was good, but we found that children from ethnic minorities cannot enter the cycle because of a lack of money.

## Future Prospects

economic aid for minority students

establishment of a Cyclical Bilingual Training System

equality in education
